

Andrew Zajac

Associate
Personal Injuries – Serious Injuries

Cambridge, UK

Andrew delivers clear legal advice in a way that clients understand.

He goes above and beyond expectations to provide exceptional client care and demonstrates outstanding attention to detail.

He recently settled a claim for six-figure compensation in a complex case involving a serious orthopaedic injury and complicated issues of psychological injury and pain syndrome.

He also has experience of cases involving brain injury.

Clients describe him as “approachable and helpful.”
