

## Gareth Pope

Associate  
Group Litigation

London, UK

Gareth specialises in complex financial disputes and professional negligence matters.

During his career he has acted for individuals and businesses and against the major UK banks for the mis-selling of complex interest rate derivative products and LIBOR manipulation.

His work has included litigating against the banks as well as pursuing redress via the Financial Services Authority (FSA) redress scheme as well as handling consequential loss claims.

Gareth has written and contributed to articles published in the national press in relation to the mis-selling of interest rate derivative products.
