

Mark Hatzer

Principal Lawyer
Personal Injury

Manchester, UK

Mark is a Senior Personal Injury Solicitor at Slater and Gordon in Manchester and is currently working on a project at Slater Gordon Solutions.

In the realm of personal injury law, Mark offers a particular specialty in handling high value employer liability claims.

He has been in private practice for more than 20 years and therefore has significant experience in the field.

During his career Mark has successfully represented several high profile individuals and handled a number of cases which have been widely reported in local and national media.
